INVITATION

Dear Colleagues,

It's a matter of great privilege for me to invite academicians, faculty members and students for the NCHPE - 2022.

We at HIMMS, look forward to this conference as a platform to build bridges and walk the talk through collective expertise.

The tradition of Guru – Sishya says “let's help our students by giving our best”. Though the tradition has undergone transformation over the years, yet the basic essence remains the same – “I succeed in my purpose, when my students excel”

With a motive as divine as this, I invite you to Devbhoomi, a land with the tradition of giving, be it sharing of knowledge, abundance of fresh air or the rivers that echo with the song of mountains as they strive to sustain vegetation and all life forms.

We hope that this conference shall bring a refreshing change, equip us all to carry on with our purpose. Let's join hands, collaborate & promote scholarly activities to further the cause, not only during the conference but even beyond.
